VISION STATEMENT

Soaring to New Heights

MISSION STATEMENT

The Mission of Rowland School is to promote academic excellence by forming a home, a school and community connection in order to develop successful leaders.

PRINCIPAL'S MESSAGE

First and foremost, let's take time out this month to give thanks and accolades to those persons who do things on a daily basis toward the success of our school. The faculty working so diligently to ensure that our students receive high quality instruction. Healthy, clean living is being promoted by our entire staff.

The PTA officers have started the year off with a bang! The membership drive is well ahead of where we were last year at this same time. Although we have not met the 100% goal yet we feel confident that we will make it soon. Thank you to everyone who participated in our first fundraisers this year. All of the profits from the sales go directly toward the incentive programs that are implemented to encourage students towards high academic achievement. I am grateful for all of the parents, grandparents, and friends of Rowland who came out to help us make our Fall Carnival a huge success. It is only through the effort of the community that we can have a successful school.

Just a few reminders about procedures:

Students at expected to be at school everyday from 7:40 until 2:15 unless they are sick. If you bring your child to school after 7:40 or you check your child out before 2:15 they are missing valuable instructional time. This interrupts the teaching and learning.

Students cannot be called to the office to receive phone calls. If you have an emergency and need to get the child a message please give the message to the secretaries. Mrs. Butler or Ms. Thorne will get the message to your child in a manner that is least disruptive to the class. We will reduce the number of interruptions into the classrooms.

If you change your child's method of transportation you must write a note to the teacher. For safety reasons we cannot take the child's word of a transportation change. Last minute phone calls to the office cannot be managed.

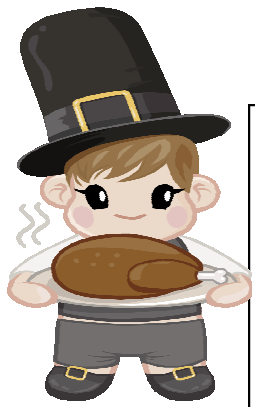

Students must arrive at school before 7:30 in order to get breakfast.

It takes the entire village to raise just one child. Together we can ensure that they are all safe and successful as they grow and become productive citizens in our community.

Thank you for all that you do to support our school. My door is always open and I welcome your visit at any time.

Seven Ways to Build a Better Reader

Read aloud with your child. Find a comfortable spot where the two of you can read together every day for about 30 minutes. Take turns reading chapters from a book for pleasure, or read books that are above her reading level but are about things that interest her.

Encourage all reading. Comic books and magazines can provide a good reading experience. As long as they are age-appropriate, don't discourage his interest, but keep a stock of high-quality books in your home so he has other options easily available.

Keep a dictionary handy. Together, look up words she doesn't know and invest in a dictionary she can use on her own.

Use informative books. Encourage reading for information. If he has a science report, help him find books for his research rather than only going to the Web. While the Internet is an easy resource, teach him that books are often more detailed.

Discuss the books. Ask your child what an author's main theme is, how characters are alike or different, what she likes or dislikes about the story, and how it compares to other books she's read. Share your own thoughts.

Expect plateaus. Following some big leaps in his progress, your child may stay at the same reading level for several months. Keep encouraging him and offer praise.

Set a good example. Read for your own pleasure and information every day at home, in a room without television.
